

P 05

FINISHING

Knitted elastic ribbed wrist made of **FIT-WRIST** technology is pleasant to the touch and perfectly adapts to the shape of the wrist, ensuring full comfort at work.

INSERT

ANTISLASH is a combination of professional anti-cutting protection with high wearing comfort. The «13-gauge liner” density is responsible for the lightness and durability of the weave, and the high content of elastane provides the perfect fit for the palm.

COATING

PU-REFORMANCE is a technology based on pure polyurethane, without the addition of silicone and DMF. The unique, spongy formula provides high traction and a secure grip even in wet environments.

CHARACTERISTIC

Functional anti-cutting glove guarantees high level of accuracy and perfect fit for the palm. The unique formula of the coating is friendly to the body and provides excellent grip in a humid environment.

SIZE: 7-11

ENVIRONMENT: dry, wet, oily
